

RECOGNITION

The INLL is a recognised centre for the examinations of Cambridge English Language Assessment.

GENERAL INFORMATION

Please note that we require a minimum of four candidates for a session to take place. If on the deadline for entries this is not the case, candidates are informed that the exam is cancelled and their fees are fully refunded.

Please read the Cambridge English Language Assessment Regulations and the Cambridge English Language Assessment Summary Regulations for Candidates. Information on preparation resources can be found on www.cambridgeenglish.org.

REGISTRATION

Before candidates register, they must ensure that they will be available on the examination dates set by Cambridge English Language Assessment and the INLL. Please note that the examination dates cannot be changed. Candidates who have not been advised by a teacher which examination/level to enter, should consult the Cambridge English Language Assessment specifications and practice tests in order to ascertain which examination/level suits them best (www.cambridgeenglish.org).

MANDATORY TEST DAY PHOTOS

All candidates taking Cambridge English: C2 Proficiency, C1 Advanced and B2 First will have their photo taken on the day of the exam. The photo is stored by Cambridge English Language Assessment and is only visible on the secure Results Verification website. This website is used by universities, immigration authorities and other professional organisations to verify a candidate's result. The candidate chooses which of these organizations can see their photo by giving them their ID number and secret number which are on their Confirmation of Entry.

If candidates are under 18, their parent(s) / guardian(s) will need to give consent.
